**REFERENCE FOR ASHLEY PLETCHER**

To Whom It May Concern:

I have a Therapeutic Equine Horsemanship Program in Huntingdon County and have been working with local school districts providing riding opportunities for their special needs students for many years.

At the end of the school year, we always try to have a special event for our riders and for the past 2 years Ashley Pletcher has brought her specially trained team of horses to the farm. The children were awestruck as Ashley demonstrated her accomplished skills as a roman rider and then showed them her abilities as a trick rider. Her horses were well trained and obviously won the kids hearts and admiration. It was clear that Ashley had not only honed her skills extremely well but had also trained her horses with love and consideration. At the end of the demonstration she answered many questions patiently and then invited everyone into the ring to give the horses much deserved love pats.

I have also had the opportunity to observe Ashley at other public events with her horses and have witnessed her showmanship, physical abilities and grace in all of her performances and only have the highest regard for her abilities!

In this light I give Ashley my highest recommendation.
